

FOOD BANK APPEAL

As many of you will have seen in the news there is an unprecedented need for supplies due to the Coronavirus.

We are not able to meet in church so our boxes remain empty. Could we ask that you consider one of the following options:-

1 - If you are going to the supermarket could you put an item or two in their collecting box.

2 - Send any money you can spare to the Weston Foodbank* for them to purchase supplies.

Many thanks

Diane & Anthony
